## BUC & AIAAsc

AIAAsc was established in 1992 and based in New York, AIAAsc is a premier American education accrediting organization that accredits American International schools & Colleges.

Universities that meet AIAAsc standards on quality in high education earn international accreditation.  
Maintaining this prestigious accreditation is conditioned by engagement in continuous improvement to assure high performance.

# Main Steps for the Accreditation Process

BUC is the first university in Egypt & Middle East Area to hold AIAAsc Quality Accreditation Certificate
