

Annual Report for SDG11

Sustainable Cities and Communities

Badr university in Cairo is continuing to support Arts and heritage. This is illustrated by expanding their contribution to local arts, annual public performances of diverse fields of arts.

BUC records and preserves cultural heritage through delivering projects which supports different traditions and knowledge. BUC aims to sustainable commuting targets through increasing green areas, pedestrian, and public access to library, museums, and open and green spaces.

In 2023-2024, BUC organized events, exhibitions, seminars, theatre performances and festivals for preserving arts and heritages.
