

Governing Values

1. **Institutional Loyalty** – Demonstrating a strong sense of belonging and commitment to the Faculty and the University.
2. **Pride in Citizenship** – Upholding national identity and responsibility toward society.
3. **Academic Freedom** – Safeguarding the freedom of teaching, learning, and scientific inquiry.
4. **Scientific Integrity and Honesty** – Adhering to the highest standards of academic honesty, transparency, and ethical conduct.
5. **Teamwork** – Promoting cooperation, collaboration, and a shared sense of responsibility.
6. **Promotion of Human Values** – Strengthening respect, compassion, and ethical responsibility within the academic community.
7. **Equality and Equal Opportunities** – Ensuring fairness, non-discrimination, and equal opportunities for all.
8. **Respect for Diverse Opinions** – Encouraging constructive dialogue and respect for different viewpoints.
9. **Effective Time Management** – Valuing punctuality, efficiency, and responsible use of time.
10. **Prioritization of the Public Interest** – Upholding the public good above personal or individual interests.
11. **Commitment to Public Health and Patient Care** – Placing the health of citizens and patient care as an absolute and fundamental priority.
12. **Learning and Knowledge Transfer** – Recognizing education, training, and knowledge dissemination as essential duties of every member of the Faculty community.
13. **Initiative, Excellence, and Innovation** – Encouraging proactive engagement, high standards of performance, and creativity in all fields.
14. **Respect for the Legitimacy of Work** – Upholding adherence to institutional regulations, professional standards, and lawful practices
